Montrose Elementary School 2018-2019

Message from the Principal

Thank you for another great year at Montrose School. What a great place to be! I can't believe that we are finishing another school year together. As always, thank you for your support and teamwork. Student success happens when we work collectively as a team. Your partnership and support makes a world of difference in the lives of our students. Throughout the year, staff and students worked hard to focus on student achievement and help students achieve their personal best; especially in the area of literacy (writing) and numeracy.

We have had a ton of fun and excitement this year and we hope that you have made some special memories as a result. Some of our special events and celebrations include: the Monster Mash-a-Thon, Morning Meal with E4C, Christmas Concert, Montrose Hockey League, Free Footie, Clay Guys, Drumming, Fiddling, Mentoring, Jump Rope for Heart, Grade 6 Farewell, Grade 6 Quebec Exchange, and the annual Talent Show (to name a few). As you reflect on your year, we hope that you have one special memory (maybe more than one!) that makes you smile! It has been very special sharing this learning journey with you. We hope you will always look back and realize how much you are loved and cared for at our school.

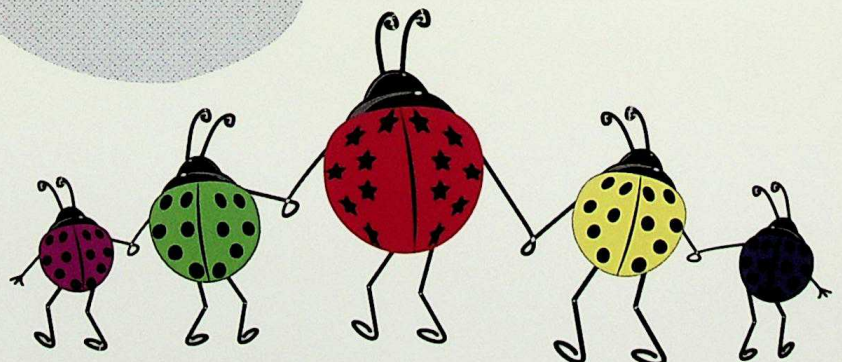

We thank our Montrose School Council and parent community for their commitment and dedication to our school and public education. Without you, this work would not be possible. They have worked diligently all year to support our school, contribute to school spirit, and ensure a strong sense of community in all that we do together. Thank you for always keeping the best interest of students at the heart of your decisions! We thank you sincerely for everything you do for our school and students!

Finally, our yearbook closes with a special tribute to our Grade 6 Class. We wish you all the best as you embark on the next chapter in your journey. Have fun in junior high and embrace the wonderful opportunities that will come your way! Be kind, embrace new opportunities, and keep a positive outlook. Best of luck, we will miss you!

I leave you with this quote about experiences from Dr. Seuss:

"Don't cry because it is over. Smile because it happened!"

Warm wishes,
Laurie Caines, Principal

Message from the PAC

If it is true that it takes a village to raise a child, then it takes a whole community to raise a school. Our community is rich with teachers, staff, parents, and volunteers, and we are so fortunate to have so many amazing of our children. We are so thankful to be part of this team, and tankful for their support.

Volunteering is the ultimate exercise in democracy. You cote in a elect once a term but when you volunteer, you vote everyday about the kind of community you want to live in

-Author unknown

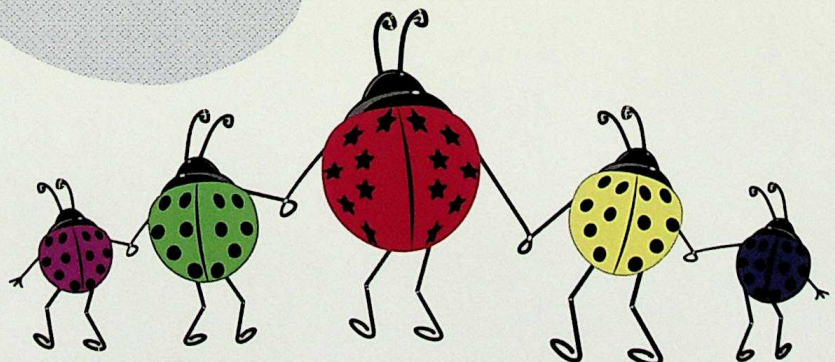

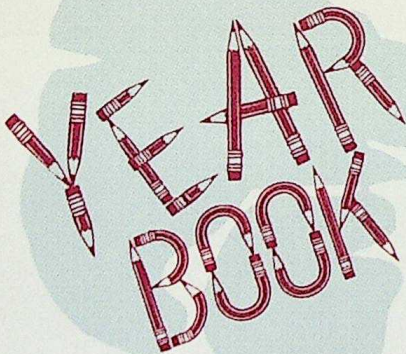

I am very proud of our PAC volunteers and the community we are part of here at Montrose. We have all worked together so hard to achieve so much this year. Everything from "toast moms" to class trips, from casino's to pizza lunches we're in this together **WE GOT THIS!!!** Have an adventurous summer and we can't wait to meet you back here in the fall.

P.S Maybe next year the students can catch the prankster on April Fools, good luck.

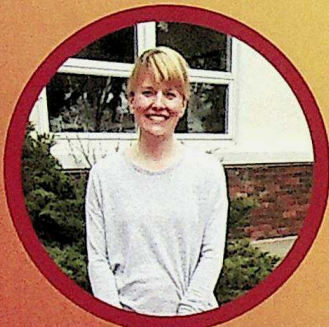

Sincerely,

Randy Creighton PAC President
